The image shows the front cover of a book bound in dark brown leather. The cover features a central, vertically oriented decorative panel with an embossed floral and scrollwork design. The text is embossed in a Gothic-style font within this panel. The entire cover is framed by a double-line border, and there are four circular embossed motifs in the corners. The spine of the book is visible on the right side, showing some wear and a small white label with a red stripe at the bottom.
